

Large Group Move-In Information Harnwell College House

Please read these important guidelines in preparation for welcoming your program participants this summer. For the latest travel information please visit www.destinationpenn.com.

Arriving on Campus

- Group will enter the Harnwell unloading zone via 40th Street and Locust Walk. Cars will be met by the Meet & Greet staff. These staff members will issue unloading permits with directions to parking garages. Unloading permits are for unloading only. Cars are not permitted to stay and thus, a driver must stay with the car at all times. Cell phone numbers will be recorded by the Meet & Greet staff and any unattended cars will be called to move the vehicle. The Meet & Greet staff will also issue temporary ID passes at this point.
- Once the car is unloaded the driver of the vehicle will be directed to the parking garage while the resident checks in to the residence hall. The driver should walk back to the residence hall to meet up with the resident.
- Temporary IDs will be issued at the same time as loading passes, at the Meet & Greet station. Guest passes will be given to anyone not living in the residence hall. Passes must be shown to the guard when entering the turnstiles in the residence hall.
- Carts will be located out front of Harnwell College House to assist you with unloading the vehicle. The staff member will direct the resident on where to go once the vehicle is unloaded and cart is loaded.

Checking In

- Check-in (keys and PennCards) will be at a table either inside in the lobby or the front desk.
- **LONG TERM STAYS:** These participants will receive a packet containing a data card, an envelope with keys, and a PennCard. The participant needs to sign the data card in the "move-in signature" line and fill in the mother's maiden name and 4-digit code (last four digits of the social security number).
- **SHORT TERM STAYS:** These participants will receive a packet containing an envelope with keys and their ID. Upon arrival they must sign a conference sign-in sheet to verify their occupancy at any point during their stay. The conference sign-in sheet will act as reference anytime the participant needs a lock-out key.
